## FLAVIA® SB100 Brewer Features and Benefits

With the FLAVIA® SB100 Brewer, you won't have to leave the office to find a delicious range of fine filter coffees and fresh leaf teas to rival the very best coffee shops. In fact, the FLAVIA® system represents the best way to prepare a fresh, quality cup of coffee or tea, time and again, at the touch of a button.

The FLAVIA® SB100 couldn't be easier to use. All you need to do is fill the stylish brewer with water and plug it in wherever you want to dispense drinks, as the compact brewer can operate almost anywhere - even in the most limited of spaces. The SB100 machine can deliver the drinks you want, in the cup you want and when you want, with no mess and no fuss. All you have to do is add milk and sugar and enjoy!

And it's hygienic too - easy to operate and clean, with a detachable Filterpack door and removable drip tray. All the marks of quality that you would expect from a FLAVIA® brewer.

- Delicious, fresh hot drinks, any time
- Just add water for each drink
- Use your own mug - less waste
- Fine coffee and fresh leaf tea varieties
- Patented Filterpack actually brews your drink
- Easy to use
- Simple to clean
- Compact size
